The Honorable George H. Mahon
House of Representatives
Washington, D. C.

My dear Mr. Mahon:

In connection with the constructive recommendation you made at our meeting on 9 July, I attach a blind memorandum which in effect says that the [redacted] Government had a similar idea and is attempting to carry it out. Perhaps I should have known this, but that in no way cuts across the helpful nature of your suggestion. Thank you very much.

25X1

Respectfully,

SIGNED

Richard Helms
Deputy Director
